We will be posting progress pictures on the website

The legacy of St. John, known for his ascetic lifestyle, profound prayer life, and the miracles attributed to his intercessions, continues to inspire us today. As we embark on the **long-cherished vision of replacing the existing window in the altar** with a breathtaking stained-glass depiction of the Resurrection of Christ, alongside the intricate iconography that will grace the ceiling, we invite you to be part of this transformative journey. Your generous donations are vital in making this dream a reality, ensuring that the chapel dedicated to St. John of Shanghai and San Francisco becomes a cherished destination for all who seek solace and inspiration.

Our ambitious goal of raising $45,000 is not merely a financial target; it represents a profound commitment to crafting a unique and spiritually significant piece of art. We aim to create an iconic masterpiece that will embody the sacred essence of the space where St. John spent his final night in prayer.

By contributing to this endeavor, you are not only supporting the creation of a stunning piece of art; but also participating in a project that that will inspire future generations.
